Interest Based Small Groups Teams

The ministry is supported by the **Interest Based Small Groups Committee** comprised of faithful servants committed to a year of service. Their service includes assisting with research and development of best practices as well as evaluating and providing feedback on the status of various Small Group Teams. **Coaches** are those in leadership who serve as mentors to the group leader providing encouragement, spiritual development and fellowship. The foundation of a Small Group is the active participation of the lay members serving as **Small Groups Leaders**. Small Group Leaders cultivate a welcoming environment where community occurs around shared interest and passions. A leader walks with God and takes responsibility to love and influence people while seeds of faith and love grow in the lives of those they lead. The **Small Groups Director** develops, equips and disciples Small Groups Coaches, Small Group Lay Leaders, Members and Leadership within First Mount Zion to build community while implementing systems that support our Small Groups in order to transform lives to be more like Jesus Christ. The Director oversees all groups by providing encouragement, ongoing leader training and spiritual guidance while implementing our mission to **Make the Connection, Make Disciples, and Make a Difference**.

INTEREST BASED SMALL GROUPS MINISTRY

"Serving to Glorify God"

1 Peter 4:11

Dr. Luke E. Torian, Pastor

What are Interest Based Small Groups?

Interest Based Small Groups are relational communities that join together and connect through like interest, fellowship, study, praise and prayer as we share our successes and bear each other's burdens while we grow together in Christ.

Each group provides an opportunity to **make the connection, make disciples** and **make a difference**. We encourage everyone to join a small group because this is where you will meet new people while growing in your faith.

What happens in an Interest Based Small Group Meeting?

An Interest Based Small Group meeting is a gathering of 15 people or less who connect with others through a common interest or activity, engage in life giving conversation, study, praise and prayer while lives are being transformed into the image of Jesus Christ. Regardless of the type of group, we seek to love God, grow in God, serve God and share God together as a group. **Participants may include FMZ members, non-members and seekers.** The connection formed through regular meetings with committed participants allows us to reinforce the core of what we believe. We can apply it to our lives and maintain the strength to serve others.

Why do we need Small Groups at First Mount Zion?

To Fulfill Our Mission: Make the Connection, Make Disciples, Make a Difference

Make the Connection

At First Mount Zion we believe each member of the body of Christ is created in His own image. We are not complete until we are in community with other believers. A church cannot be who they are and carry out that task unless they are in relationships with each other. As our church grows larger, we grow smaller. We are meant to do life together and we believe that community happens best around shared interests and passions, so we have a variety of groups—from discipleship groups and sports groups to service, support and book groups for all ages. There is a group for everyone, including YOU!

Make Disciples

Regardless of the type of group, the main purpose of each one is to create a place where we can grow to become more like Jesus: to model His character, ways and mission to the world through approaching life and each meeting through the Great Commandment and Great Commission. **(4BP Strategy Biblical Principles)**

Make a Difference

The Great Commission was a personal instruction not a suggestion. Jesus gave His disciples these instructions. **:"Go into all the world and make disciples, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all the things I have commanded you" Matthew 28:19-20.** Jesus charged his followers to continue this mission while on this earth. Small groups are connecting units of the church body on a mission to share the light and love of Christ to those around them.
