

Communion Distribution

Saturday, May 2nd

Considering the COVID-19 pandemic, FMZBC is offering the opportunity to partake in Communion on first Sunday by making available pre-packaged communion elements for pick up this Saturday.

Pick up will from 10:00 am - Noon. The pickup locations will be at FMZBC, Springfield Mall and Stafford at the 610 Commuter parking lot across from Lowe's and just behind the McDonald's off of Staffordboro Blvd.

Distribution of communion elements will be provided without you having to exit your car. While we may not be able to gather in the building you can stream and commune along with the services in remembrance of Him.
