Interest Based Small Groups Teams

The ministry is supported by the **Interest Based Small Groups Committee** comprised of faithful servants committed to a year of service. Their service includes assisting with research and development of best practices as well as evaluating and providing feedback on the status of various Small Group Teams. **Coaches** are those in leadership who serve as mentors to the group leader providing encouragement, spiritual development and fellowship. The foundation of a Small Group is the active participation of the lay members serving as **Small Groups Leaders**. Small Group Leaders cultivate a welcoming environment where community occurs around shared interest and passions. A leader walks with God and takes responsibility to love and influence people while seeds of faith and love grow in the lives of those they lead. The **Small Groups Director** develops, equips and discipled Small Groups Coaches, Small Group Lay Leaders, Members and Leadership within First Mount Zion to build community while implementing systems that support our Small Groups in order to transform lives to be more like Jesus Christ. The Director oversees all groups by providing encouragement, ongoing leader training and spiritual guidance while implementing our mission to **Make the Connection, Make Disciples, and Make a Difference.**

INTEREST BASED SMALL GROUPS MINISTRY

“Connecting people who have a desire to become fully devoted followers of Jesus Christ”

Dr. Luke E. Torian, Pastor

What are Interest Based Small Groups?

Interest Based Small Groups are relational communities that join together and connect through like interest, fellowship, study, praise and prayer as we share our successes and bear each other's burdens while we grow together in Christ.

Each group provides an opportunity **to make the connection, make disciples and make a difference**. We encourage everyone to join a small group because this is where you will meet new people while growing in your faith.

What happens in an Interest Based Small Group Meeting?

At First Mount Zion, our Interest Based Small Group meetings is a gathering of 15 people or less who connect with others who have a common interest or activity and engage in life giving conversation and study. We are meant to live in relationship with others, and we believe that community happens best around shared interest, gifts and passions. Regardless of the type of group, through that common interest, we seek to love God, grow in God, serve God and share God together as a group and with others. Ultimately, Interest Based Small Groups provides a place to develop and cultivate friendships, receive encouragement and support while lives are being transformed into the image of Christ. **Participants may include First Mount Zion members, non-members and seekers.**

How do we fulfill our Small Groups Mission at First Mount Zion?

Our Mission: Make the Connection, Make Disciples, Make a Difference.

Make the Connection

At First Mount Zion we believe each member of the body of Christ is created in His own image. We are not complete until we are in community with other believers. A church cannot be who they are and carry out that task unless they are in relationships with each other. As our church grows larger, we grow smaller. We are meant to do life together and we believe that community happens best around shared interests and passions. Join us! We have a variety of groups—from discipleship groups, sports, service, support and book groups for all ages. There is a group for everyone, including YOU!

Make Disciples

Regardless of the type of group, the main purpose of each one is to create a place where we can grow to become more like Jesus: to model His character, ways and mission to the world through approaching life and each meeting through the Great Commandment and Great Commission. **(4BP Strategy Biblical Principles)**

Make a Difference

The Great Commission was a personal instruction not a suggestion. Jesus gave His disciples these instructions. **"Go into all the world and make disciples, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all the things I have commanded you"** **Matthew 28:19-20**. Jesus charged his followers to continue this mission while on this earth. Small groups are connecting units of the church body on a mission to share the light and love of Christ to those around them.
