Small Groups Ministry-Interest Based Small Groups

We need each other more than ever now. Interest Based small Groups is using the blessings of technology to stay connected to our small group members and community. During the Fall and Spring semesters, our FMZ groups connect with others who have a common interest or activity and engage in life giving conversations and study through shared interest and passions. We have a variety of groups from discipleship groups, sports, health and wellness, service, shared interest, support, and book groups for all ages. Regardless of the type of group, the main purpose of each group is to create a place where you can develop and cultivate friendships, receive encouragement and support while lives are being transformed into the image of Christ. There is a group for everyone, including YOU!! Review our directory of groups and connect with a small group today.

Leading a Small Group

Consider leading a small group while utilizing your gifts, passions, and talents. We would love to hear from you. Please contact the Small Group Director, share the topic of interest and name of your prospective group, along with the date and time of your online meetings. You will receive essential tools, an initial small group leader training as well as training throughout the year with fellow group leaders. Your group will be placed in the FMZ online small groups directory where others can locate your group and register throughout the Fall and Spring semesters. We believe God uses Small Groups in a creative way while implementing our mission to Make the Connection – Make Disciples – Make a Difference. As a Small group

leader, you are an essential part of that transformation.
