Are children required to show proof of vaccination? Children 12 years and older are required to show proof of vaccination. Children under the age of twelve are not.

What if I have a medical condition that prevents me from being vaccinated? In lieu of a vaccination card, provide medical documentation from a physician medical exemption.

How do I get my name into the database? Upon arrival show proof of vaccination and your name will be added to the database.

Obtaining a copy of your COVID-19 VACCINATION CARD

ATTENTION ALL ZOOM MEETING HOSTS: To protect our ministries from potential “Zoom bombing” by miscreants and hackers, it is no longer recommended to post- meeting ID and passcodes to the website or social media. As an alternative, Zoom offers a registration feature for meeting participants to register for a meeting using a registration link. Once the registration link is established by the host, the link can be

shared as usual via Connection Points, email, text, etc. The organizer/host will receive a roster of registrants and, if necessary, can use the list to verify people before they are allowed in the meeting.

For those who schedule ZOOM meetings, to follow is a short video on how to enable the registration feature to Zoom meetings.

How to set up a Zoom registration link for better security: <https://youtu.be/VqomCzNnii4>
