#### **Vanco On-line Giving**

VANCO, FMZBC's on-line giving **and mobile app**. platform, operates with an elevated level of security. As a result, access to users on the same network (FMZ IP address) will be blocked. When off site individual users

may be denied access temporarily because of too many failed login attempts. After some time (up to 4 hours) the account will automatically reset to allow users to select the forgotten password option. To avoid this issue onsite please consider using the VANCO/FMZ mobile app for giving. As a Vanco registered user you should see this option when you sign in. You may also access the app using the following QR code.

Note: the development of the mobile app is ongoing to include the inclusion of a text box to enter your FMZ membership number. Using the mobile app is encouraged if you are onsite and blocked from the VANCO site. Instead revert to using your mobile data.

**You may give online using the following online giving link:**

As always, during these times of uncertainty, safety is of the utmost importance as we do our best to keep the congregation connected and informed while maintaining the health and welfare of all. Please check your email and the Church website for regular updates. Looking forward to our return in the future.

#### **FMZ COVID Guidelines -WHAT YOU SHOULD KNOW-August 13, 2023**

Our church safety protocol activities will be in accordance with those set by the State of Virginia:

- o Proof of Vaccination Status is no longer required to enter FMZBC.
- o There will be no temperature checks required upon entry into FMZBC.
- o Wearing a mask is optional.

**ATTENTION ALL ZOOM MEETING HOSTS:** To protect our ministries from potential “Zoom bombing” by miscreants and hackers, it is no longer recommended to post- meeting ID and passcodes to the website or social

media. As an alternative, Zoom offers a registration feature for meeting participants to register for a meeting using a registration link. Once the registration link is established by the host, the link can be shared as usual via Connection Points, email, text, etc. The organizer/host will receive a roster of registrants and, if necessary, can use the list to verify people before they are allowed in the meeting.

For those who schedule ZOOM meetings, to follow is a short video on how to enable the registration feature to Zoom meetings.
