Pulpit Committee's Pastor Search Journey

Eight Phases, One Mission

Dear Church Family,

Thank you for outpouring prayers, encouragement, and support as we implement the Pastor's Transition Plan per the Constitution and By-laws.

As many of you may recall, our path consists of eight distinct phases, each crucial in its own right:

Phase I: Church Governance and Selecting a Pulpit Committee - In this foundational phase, we laid the groundwork for our committee's formation, ensuring we can carry out our responsibilities effectively.

Phase II: Defining Pastor Search Requirements and Expectations - We are now delving into the heart of our mission, clearly outlining what we seek in our next pastor and setting high standards of expectation.

Phase III: Search and Recruitment - As we enter this phase, we seek out potential candidates who embody the qualities and vision we aspire to see in our church's leadership.

Phase IV: Evaluation and Shortlisting - With diligence and discernment, we will carefully evaluate candidates, narrowing our selection to those who most closely align with our values and mission.

Phase V: Interview and Assessment - This phase marks an essential step as we engage with candidates on a deeper level, assessing their qualifications, spiritual calling, and alignment with our church's vision.

Phase VI: Presenting Candidate to the Congregation - A pivotal moment where we present the most promising candidate to you, the congregation, for your consideration and input.

Phase VII: Decision Making - Together, we will prayerfully make the decision that will shape the future of our church, seeking wisdom and unity at every step.

Phase VIII: Transition and Installation - The culmination of our efforts as we transition to a new chapter under the guidance of our chosen pastor, celebrating their installation with joy and anticipation.

We are thrilled that we have completed Phase I and are embarking on Phase II. Your continued prayers are invaluable as we navigate this journey, seeking God's will and discerning the path He has set before us.

Vanco On-line Giving

VANCO, FMZBC's on-line giving **and mobile app**. platform, operates with an elevated level of security. As a result, access to users on the same network (FMZ IP address) will be blocked. When off site individual users may be denied access temporarily because of too many failed login attempts. After sometime (up to 4 hours) the account will automatically reset to allow users to select the forgotten password option. To avoid this issue onsite please consider using the VANCO/FMZ mobile app for giving. As a Vanco registered user you should see this option when you sign in.

Note: the development of the mobile app is ongoing to include the inclusion of a text box to enter your FMZ membership number. Using the mobile app is encouraged if you are onsite and blocked from the VANCO site. Instead revert to using your mobile data.

You may give online using the following online giving link:

To avoid failed transaction fees, please regularly review your online giving account to ensure contact and payment sources are up to date. When submitting a change of address to the Church, please also log on to VANCO to update your address. If you are interested in learning more about VANCO or have any questions as a VANCO online giver, please contact the front office, (703) 670-0184.

FMZ COVID Guidelines -WHAT YOU SHOULD KNOW-August 13, 2023

Our church safety protocol activities will be in accordance with those set by the State of Virginia:

- o Proof of Vaccination Status is no longer required to enter FMZBC.
- o There will be no temperature checks required upon entry into FMZBC.
- o Wearing a mask is optional.

ATTENTION ALL ZOOM MEETING HOSTS: To protect our ministries from potential "Zoom bombing" by miscreants and hackers, it is no longer recommended to post meeting ID and passcodes to the website or social media. As an alternative, Zoom offers a registration feature for meeting participants to register for a meeting using a registration link. Once the registration link is established by the host, the link can be shared as usual via Connection Points, email, text, etc. The organizer/host will receive a roster of registrants and, if necessary, can use the list to verify people before they are allowed in the meeting.

For those who schedule ZOOM meetings, to follow is a short video on how to enable the registration feature to Zoom meetings.
