#### Personal Next Steps

- **Renew and Refresh** – This week read Deuteronomy 5:12-14, Matthew 17:24-27, and Matthew 18:15-17
- **Self-Check**
  - Think about some ways you can celebrate God's work in your life. Would you journal to Him, take a walk alone with Him, what could you do?
  - Where are some areas in your life that God may encourage you to slow down and allow your soul to find rest? Would He encourage a less rigorous schedule, less TV and Internet time, or something else?
- **Continuing the Conversation** – This episode showed people remembering and celebrating God's incredible creative work. Who can I share this powerful story with who may not have heard about their Creator?
- **Pray** – Thank God for creating and redeeming you. Ask God to help you see where you may need to celebrate Him more and treat your soul to some rest.
